

# 2018 Summer Camp

## Camp Taloali Summer Program Dates

Staff—June 24th—July 15th

Counselor in Training - June 27th-July 15th

Summer Camp (ages 6-15)

- Session 1: July 1st—July 7th
- Session 2: July 8th—July 14th

### The Camp Taloali Community: Deaf Culture & ASL

Camp Taloali is a total immersion environment for deaf and hard of hearing children. All staff communicate in ASL at all times.

Hearing campers with connections to deaf families and emerging signers are also welcome to come and improve their ASL skills. The goal for all is to better communicate and work with others in teams while having fun in the outdoors.

### Counselor in Training (CIT):

Older campers, age 16-17 years old, will have the opportunity to become leaders, learning what it takes to work at Camp Taloali in the future. A weekend of training will focus on leadership skills and qualities as well as fun team-building experiences. CITs will apply to be a part of this program and will participate in all areas of work at camp: kitchen work, maintenance, record keeping, planning and leading activities and fun activities just for CITs!

“Thank you for giving my daughter this opportunity! It has been SO good for her”

- Elizabeth
