

Do you receive the support you need and desire? What would you like your case manager to do for you?

How can ODDS better communicate with you?

## Individuals and Family Members

We want to hear about your experiences with:

- Case management supports (Services Coordinators & Personal Agents)
- Communication from the Office of Developmental Disabilities Services (ODDS)

We are looking for people with a primary language of American Sign Language. We would like to arrange an opportunity to hear from you.

*The option to join such a focus group remotely via telephone or Skype will be made available.*

Please let us know if you would be interested in such a focus group by contacting Myles Maxey and letting him know that you are interested, ASL is your primary source of communication, the area of the state that you live in, and contact information:
