

Hello Senator Sara Gelsler,

My name is Lucia DiGiorgio. I'm 11 years old and deaf. Please support Senate Bill 449, so Deaf, Deaf & Blind, and Hard of Hearing can have a state office, so we can have services.

The service could help me find a job and apply for college in the future. Also, the office could help hearing parents to learn ASL, if their babies are born deaf.

Please support Senate Bill 449! Please!

Thanks,
Lucia DiGiorgio
